

BUON NATALE

Merry Christmas! Feliz Navidad! Maligayang Pasko!

Thank YOU!

Grazie Mille! Thank you for your faithful love, support, prayers and encouragement through this year. YOU have inspired us! We pray you experience an abundance of God's favor and provision, now and in the coming year!

FAMILY Updates

Both our moms are doing well in this first season without our dads. We thank the Lord for giving them health and strength.

Our daughters, their husbands and children will all be together with us for a California Christmas!

LIFE Changes!

This year, we have mentored missionary associates and interns and seen the Lord develop skills and talents in many of our local Rome ministry participants! Making the Connections, to Know Him and to make Him Known!

Touching one, Touching Italy, Reaching Nations!

Words that describe this year: emotional, exciting, encouraging. Our precious dads are now walking streets of gold, Jennifer was ordained with the Assemblies of God, several pastor friends helped us in Rome with teams, ministry and faithful encouragement, Rick had the privilege of ministering in several amazing Mission services across the US & weekly at the International Christian Fellowship of Rome! In November, Jennifer was hospitalized with a very big spot of pneumonia and then weeks of bedrest. Unexpected moments bring opportunities for God to reveal HIS love to us and through us. We are encouraged and humbled to be a part of over 4,000 souls saved in these first 3 years! As Christmas nears around the corner, we can say GOD IS FAITHFUL! Our team in Rome, missionary associates, lay leaders, friends and colleagues have inspired us to SHINE HIS LOVE to the nations! Jesus is the REASON!

Every generation is engaged and loving the joy that Christ's love brings! Ministry is FUN!

Jennifer baptized one of our new refugee believers!

Merry Christmas & Happy New Year! We love you! We are thankful to have such a great team of Life Changers and we know Heaven is rejoicing every week! We have focused on ***Making the Connections*** this year and we are thankful for each of you that has connected your hearts to the work God is doing in Italy!

This year our work with the refugees and women at risk has seen many lives committed to Christ, discipleship classes, computer classes, art classes, food and clothing distribution, outreach to families and children! Hearts restored & Lives Changed!

During the fall of 2017, we were home in the US on a shortened furlough to share testimonies of what God is doing and raise our budget and funds for the next 4 year term. We are so thankful for the many faithful partners who continue on our team, new churches and friends who have partnered with us for this next term! We believe God has opened the door in Europe and Italy as many "unreached people" have arrived in Rome and are truly searching for real purpose and meaning. Buddhists, Muslims, Hindus, Agnostics, Atheists, Diplomats, University Students, Refugees & Immigrants, young and old, families and singles are coming to Christ and because of your support, we can offer them HOPE, Purpose and the steps to follow Christ to live their lives as HIS Champions of the faith! EXCITED for 2018!
